ADVERTISEMENT & RATE CIRCULAR

\*\*Note information regarding  
"stamps" in last two paragraphs.

## What the Telepost will do for You

**IT WILL SEND YOUR TELEGRAMS** of 25 words for 25 cents, (5 cents added for each additional 10 words), regardless of distance, and deliver them by messenger within the established free-delivery limits of the terminal office.

**YOU CAN SEND TELEPOSTS**, or "telegraphed letters," of 50 words for 25 cents, (5 cents added for each additional 10 words) regardless of distance, to be delivered by mail from the Company's terminal office.

**YOU CAN SEND TELETAPES**, perforated on tapes by yourself, which will be delivered at destination in automatically printed characters easily transmitted by your typist. No records of teletape messages are retained by the Telepost Company, nor are the messages read at sending or receiving stations. Absolute secrecy is thus guaranteed. A Teletape sending blank (25 cents) entitles you to the transmission of a 100-word message between any two points in the United States connected by Telepost lines, and each 5c. Telestamp affixed entitles you to 20 additional words. Telepost keyboard perforators, which may be operated by your typist, will be leased at moderate rentals.

**YOU CAN SEND TELECARDS**, or "telegraphed post cards" of 10 words for 10 cents, regardless of distance, to be delivered by post card from the Company's terminal office.

**YOU CAN PREPAY REPLY MESSAGE** by affixing 5 telestamps (25 cents) for a 50-word telepost or a 25-word telegram, and an additional telestamp (5 cents) for each additional 10 words. The Telepost Company will thereupon deliver to the addressee a Prepaid Reply Blank for the required number of words.

**PARTIAL SERVICE FOR POINTS NOT YET REACHED BY TELEPOST WIRES.** Anyone not within reach of a Telepost office may mail a reply or other message to the nearest Telepost office for transmission from that point. When possible, the message should be written on a Telepost Sending-Blank, but when such blanks are not available, a Money Order or postage stamps for the required amount must be enclosed, and the Telepost Company will attach the message to the proper blank for transmission.

**SPECIAL PRESS SERVICE** will be provided for newspapers at rates proportionately lower than those charged by older news distributing agencies.

**SENDING BLANKS** may be purchased at any Telepost office, or at drug stores, cigar stores, hotel offices, etc., at 25 cents each; telestamps, 5 cents.

**BOOKS OF SENDING-BLANKS** and telestamps will be delivered to any post-office address at the following prices: (If nearer offices are not known, address "Telepost, New York.")  
Books of 10 Sending-Blanks, \$2.35 Books of 50, Send.-Bl. \$11.00  
Books of 25 Sending-Blanks, 5.65 Books of 100 " " 21.25  
Book of 100 Telestamps \$4.50

Packets of 25 Telecards, \$2.35 Packets of 100 Telecards, \$9.00

**SPOILED BLANKS, TELECARDS OR STAMPS** may be exchanged any time during the year of issue at any Telepost office for new blanks, telecards or stamps.
